Table Facilitator—Participants sit at a table of between 8 and 10 people. Each table has a table facilitator to help the participants move through the discussion on questions that were answered at home after doing the scripture reading. You do not have to be a Catechist to be a table facilitator as the table facilitator does not teach. The table facilitator ensures that the discussion flows for each session in the time given. We are looking for participants who are serious about finishing the study to be table facilitators.
